**INTERVIEW SUMMARY**

Sir:

Applicants provide the present Interview Summary to respond to the Interview Summary mailed October 24, 2007, of an interview with Applicants' representative, Laura M. Kelley on October 15, 2007. Applicants concur in the Interview Summary that the authorization for the Examiner's Amendment was given. The amendment is accurately reflecting a change in claim 3, line 2, to change "further comprising a second part connected" to- wherein the second part is connected--.

Applicants note that the Examiner's statement of reasons for allowance generally accurately tracks the recitations of different ones of the independent claims. Applicant understands that the Examiner has provided generalized comments based but that each of the independent claims is patentable in light of the respective recitations contained in those claims.

Respectfully submitted,

Laura M. Kelley
